

# SEYMOUR DAILY REPUBLICAN

VOLUME XXXIX NO. 93

SEYMOUR, INDIANA, SATURDAY, APRIL 17, 1920.

PRICE TWO CENTS.

## PRESBYTERIANS TO MEET IN SEYMOUR

Interesting Program Arranged for Spring Meeting of New Albany Presbytery May 20-21.

### 53 CHURCHES IN DISTRICT

Dr. William H. Sheppard, of Louisville, Will Give Principal Address Tuesday Night.

Members of the First Presbyterian church here are making arrangements for the entertainment of the delegates who will attend the spring meeting of the New Albany Presbytery which will be in session in this city Tuesday and Wednesday. More than fifty delegates and visitors are expected to attend. The Presbytery includes the southern Indiana territory south of Bedford and North Vernon to the Ohio River and contains fifty-three churches. Two meetings, one in the spring and another in the fall, are held by the Presbytery annually.

Although the meeting will not formally convene until Tuesday night, the Home Missions Committee will hold a conference Tuesday afternoon at the Presbyterian church with the representatives of the Home Missions churches. Various matters pertaining to the welfare of these churches will be considered.

Dr. Thomas B. Terhune, pastor of the Hutchinson Memorial Presbyterian church in New Albany, is moderator of the Presbytery and will preside at the first session Tuesday night. Various matters of business will be disposed of and a moderator for the coming year will be elected.

The principal speaker at the first session will be Dr. William H. Sheppard, of Louisville. Dr. Sheppard is prominent in the work of the church, having served twenty-five years in Africa as a missionary. He is one of the four Americans who have the distinction of being members of the Royal Geographical Society. He was made a member of the Society by Queen Victoria in recognition of his able service in Africa.

The sessions Wednesday will be devoted to hearing reports and other business matters in connection with the churches in this district. Following the morning session Wednesday a devotional service will be conducted and the Presbyterian sermon will be delivered by the Rev. J. H. More, pastor of the local church. At noon the ladies of the Seymour congregation will serve a luncheon for the visitors. The meeting will adjourn late Wednesday. The public is invited to attend the meetings Tuesday night and Wednesday morning.

The delegates will be entertained at the home of the local members. C. B. Billings is chairman of the local entertainment committee.

### Hear Rev. Walfred Lindstrom.

The Rev. Walfred Lindstrom, minister and soldier, will speak at the First Methodist church tomorrow evening at 7:30. Mr. Lindstrom is a well-known minister in the Baptist church and is one of the State Directors of the Inter-Church World Movement. His theme tomorrow evening will be "The Church and Reconstruction as a Soldier Sees It." Reginald Brinklow will play a cornet solo at both morning and evening services.

Mr. Lindstrom served in the overseas army for a year and was in the leading campaigns of the American Forces. He took part in the great battles of the Argonne forest—was gassed—was in hospital for several months and had every opportunity to learn the thought of men concerning the Church and Reconstruction. Mr. Lindstrom is a strong preacher, a magnetic speaker and thoroughly in touch with the church problems of the day. He will bring to us a strong message tomorrow evening and we ask a large hearing for him. The public cordially invited.

### Time Growing Short.

See John Congdon for mortgage exemption. Important. 111 1/2 West Second street. a23d

## PRECINCT VOTING PLACES SELECTED

Nine Places For Holding Primary Election Tuesday, May 4, Have Been Secured.

### SEVEN MEMBERS OF BOARDS

Voters Must Call for Ballots of Their Respective Party Under The Primary Law.

All of the places for holding the primary election in Jackson township May 4 have been selected with the exception of the second precinct which will be announced the first of next week. All of the voting places in the township are located in the city.

The following places have been selected:

First Precinct—Henry Kamman's residence, 607 North Ewing street.

Second Precinct—

Third Precinct—Conner House, 209 East Second street.

Fourth Precinct—Mrs. Dennis Wilson's residence, 306 East Tipton street.

Fifth Precinct—Mrs. Ella Davis' residence, 24 East Tipton street.

Sixth Precinct—F. William Buhner's residence, 322 West Laurel St.

Seventh Precinct—Mrs. Martha Keith's residence, 216 West Tipton street.

Eighth Precinct—Louis Aufenberg's residence, 615 West Brown street.

Ninth Precinct—William Railing's residence, 324 West Second street.

Tenth Precinct—Ben Weil barber shop room, St. Louis Avenue.

At each of the voting places an election board composed of seven members will be on duty. The law provides for one inspector and a Republican judge, clerk and sheriff and a Democrat judge, clerk and sheriff.

Under the primary election law it is necessary for each voter to ask for the ballot of his respective party.

### LIFE LONG RESIDENT OF JACKSON COUNTY EXPIRES

James Blair Succumbs to Illness Lasting Several Years—Funeral Monday.

James Blair, a life long resident of Jackson county, died at his home on North Lynn street this afternoon at 2:30 following an illness lasting over two years during which time he was confined to his home. The deceased was born in Grassy Fork township three miles south of Dudleytown October 6, 1837 and was eighty-two years, six months and eleven days old at death.

In January 1903 Mr. Blair fell and sustained a broken hip which caused him to be a cripple the remainder of his life. The deceased was taken to his bed over two years ago and was never able to be up and about afterwards. He was a life long member of the Baptist church. In politics he was a Democrat and was active in county politics for many years. During his long illness he displayed an unusual amount of patience and never complained although he was continually bedfast.

A widow and one son, Robert Blair, survive together with other relatives and many close friends. The funeral service will be held from the home, 115 North Lynn street at 2 o'clock Monday afternoon, conducted by the Rev. F. A. Hayward.

### MARION COUNTY SHERIFF INDICTED BY GRAND JURY

Investigation Follows Exposure of Alleged Irregularities in County Jail.

By United Press. Indianapolis, April 17—Robert Miller, sheriff of Marion county, was indicted by the Marion county grand jury investigating alleged irregularities of the county jail, it was announced today. Miller was charged with neglect of duty.

Five indictments were returned. Miller was returned in one. Names of other indicted were withheld pending their arrest.

Mr. and Mrs. Joe Niehter, east of the city, were here today.

## TAX SETTLEMENT TIME IS AT HAND

Delinquent Fee Will Be Added if First Semi-Annual Installment is Not Paid by May 3.

### PAYMENT THROUGH THE BANKS

Mortgage Exemptions May Also be Filed Until the First Monday of Next Month.

With the time for paying the first semi-annual installment of taxes drawing to a close, the busy season in the office of J. Paul McMillan, county treasurer, is reaching its height. Hundreds of dollars are being paid to the treasurer daily and the settlements will continue until Monday, May 3, the last day when taxes may be paid before the ten per cent. delinquent fee provided by law is added. The number of delinquent taxpayers has steadily decreased during the last few years and it is believed that the list will be unusually small in 1920.

Although taxes may be paid through the local banks the number of settlements at the treasurer's office in the court house has been exceptionally large this year. This is believed to be due to the operation of the new tax rate and the resultant complications which have arisen. Many property owners figured their taxes on the basis of the assessments made by the local assessors last year and could not understand why the statement issued by the treasurer provided for a larger sum than they had anticipated. Most of these inquiries were due to the fact that the property owners had overlooked the ruling of the state board of tax commissioners that original assessments be increased.

Many people who heretofore have paid their taxes by mail or through the banks have gone to the treasurer's office to ascertain if the statements were correct. The treasurer will furnish statements to property owners if the request is accomplished by a self-addressed stamp envelope. The office has no appropriation for answering such inquiries and for this reason the expense must be borne by those seeking the information. Inquiries are answered promptly until the calls at the office become so numerous that the treasurer and his force of clerks are unable to handle both the counter business and the correspondence.

It is believed that the total tax receipts in the county will be increased about one-third above the amount paid in 1919. The increase is due to the larger amount of property placed on the tax duplicates last year under the operation of the new law. Practically all persons who have paid their taxes have stated that the first annual installment this year is slightly larger than the same settlement last year.

Mortgage exemptions may be filed until Monday, May 3. The applications must be sworn to before a notary public and placed in the hands of the county officials before the expiration date which is fixed by law.

Under the present law, mortgage exemptions are allowed up to \$1,000, providing that the one thousand dollars is not more than one half the assessed value of the mortgaged property. For instance, if the assessed value of the mortgaged property were fifteen hundred dollars, an exemption of only \$750 would be allowed. But if the assessed value were two thousand dollars or more the regular exemption of one thousand dollars would be granted.

Whoever fails to file a claim for exemption within the required time loses all exemption, and has no recourse whatsoever.

## PARCEL POST IS GROWING RAPIDLY

City Mail Carriers Are Overworked in Taking Care of Largely Increased Business.

### OVER 200 PACKAGES DAILY

Possible That a New Parcel Post Carrier Will be Added to The Local Force.

The handling of the largely increased parcel post business at the Seymour postoffice is becoming a real problem for the postoffice authorities. During the last few months the postoffice has had a gradual increase in parcel post business and it has grown to such extent that the carriers are compelled to work overtime in delivering the many packages.

Allen Swope, postmaster, stated this morning that the postoffice here is now handling on an average of over two hundred packages daily. The majority of the packages weigh from twenty-five to one hundred pounds and in many instances the carriers are unable to take all of their mail on the regular schedules and are compelled to make extra trips to handle the packages.

When the carriers start out on their routes in the city they are loaded down with packages. The carriers in the business district handle more than double the number of packages of any resident carriers. It is estimated that they deliver on the average of sixty parcel post packages daily.

The increase in the parcel post business in the last year has been enormous. It is recalled by local postoffice employees that when the parcel post law became effective several years ago the average number of packages delivered in Seymour were about six. The business continued to grow from year to year. However, the biggest increase has been noticeable in the last year and during the last month the business has been unusually heavy.

During the yardmen's and switchmen's strike that are in progress hundreds of large packages have been handled through the Seymour postoffice that would have been delivered by railroads and express company's during normal times.

The city carriers for the last three days have been weighing all of the mail that has been delivered by them in accordance with an order from the postmaster general's office and it is believed that their report will result in some steps being taken to put on an extra man to take care of the parcel post business in Seymour.

### KELSO FUNERAL TODAY

Service Conducted Under Auspices of Moose Lodge.

The funeral of Sherman G. Kelso who died at East St. Louis, Ill., Thursday, was held from Voss Chapel this afternoon at 2 o'clock conducted by Rev. Charles W. Whitman, pastor of the First Methodist church. The Moose Lodge was in charge. Interment in Riverview cemetery. The body arrived here from East St. Louis this morning and was accompanied by several members of the B. of R. T. of which organization the deceased was a member.

Geo. N. Mannfeld. Superintendent of Fisheries and Game will address an open meeting of The Jackson County Fish, Game and Forest Protective Association, Friday, April 16 at 7:30 p. m. in Armory Hall in K. of P. Building. The public is invited to this meeting. a16d

## OVERALLS BECOME A NATIONAL GARB

"Back to the Denim" Movement is Being Supported by All Classes Throughout Country.

### ONE CLUB IS ORGANIZED HERE

Baltimore & Ohio Clerks Get Publicity in Many Parts of Country—Manufacturers are Busy.

The "back to the denim" movement is spreading to all parts of the country. Overalls, plain blue or other colors in stripes of stars, are destined to "come back." They are to be used as a symbol that the wearer is protesting against the high cost of wool clothing. The overall club movement is said to have started in the southern states and is rapidly extending to the northern states.

The first club to be formed here was organized by the clerks at the Baltimore & Ohio division offices. The employees there agreed to appear Monday for the first time in suits of overalls and dresses of blue denim. Clerks in other offices in Seymour have the organization of similar clubs under consideration and it is likely that the overall clad population of Seymour will reach hundreds of people before many days pass.

The Baltimore & Ohio club has received much publicity and shrewd salesmen in Philadelphia have already written the members here that they are in a position to furnish overalls in all sizes and colors at "very low prices." It is presumed that manufacturers and large dealers have compiled a list of newly formed clubs and are furnishing them with information as to where they may buy the new garments.

Some local people, as well as observers elsewhere, profess to see a little trick in the overall movement as a protest against the high price of clothing. The overall movement started in the southern states where cotton is grown, and overalls are made out of cotton materials. The south doesn't raise any sheep and isn't interested in the production of wool. Wool is a northern production. Incidentally, clothing is made out of wool. In other words the overall movement may have its origin at the same place where "buy a bale of cotton" started a few years ago.

The overall movement has been discussed in the United States senate, but those who have watched its progress say that senators from cotton producing states have done most of the talking. Now when a suit of overalls is purchased one will find that it takes real money and quite a bunch of it to become the owner of such a garb. The limit placed on the garments by the local club is \$3 a garment or \$6 a suit.

Whether or not cotton growers are back of the movement, it has resulted in emphasizing the fact that both cotton and wool materials are high in price. The movement has another good point in that the overalls will take the place of high priced suits which many clerks have felt they were required to wear for office work. The plain jackets of blue denim will cover shirts of cotton material for a young man is not likely to wear a \$15 silk shirt under a coarse blouse. In other words the movement will emphasize the necessity of the public getting back to simple dressing and simple living.

## PROFTEERING IN FOOD IS CHARGED

Charges Against Dealers and Produce Men in Chicago and New York Investigated.

### 33 BEFORE THE GRAND JURY

Federal Agents Arrest Two in Connection With Probe of Undue Profit in Meat Sales.

By United Press. Chicago, April 17—Charges of food profiteering growing out of the railway strike occupied federal officials here and in New York today.

Thirty-three food dealers of Chicago, principally produce men, were called before a grand jury to be questioned regarding prices as affected by the stoppage of transportation. Potatoes led with a jump from \$5.50 to \$7.75 per bushel. Butter, green vegetables and meat followed.

Government meat in storage here was to be released to Chicago today when facilities for its sale were arranged. Federal agents at New York had made two arrests in connection with their investigation of alleged profiteering in meat.

The assistant superintendent of Armour & Co., in Brooklyn, and the manager of Swift & Co., were released on \$2,500 bail after being arrested for alleged violation of the Lever act.

### RAILWAY STRIKE SAID TO BE BREAKING UP

Passenger and Freight Service Approaching Normal Conditions Today.

By United Press. The outlaw strike of railroad workers appeared breaking up in practically all sections of the country today. Men were returning to work and passenger and freight service were reported again close to normal.

In the New York district all roads reported men returning to work. Freight movement was increased greatly. Similar conditions were reported throughout the east. was reported in western cities. Although many men have returned to work a large percentage of the strikers were still holding out. Arrest of leaders in the strike movement in Cleveland was expected today.

### A Much Traveled Band.

An organization that has traveled over 400,000 miles during the nineteen years of its existence must be of superior quality or they would not be in such demand. This is true of the famous "Kilties" Canada's Greatest Concert Organization, under the able leadership of Mr. Murdoch J. Macdonald, and if Mr. Andrew Carnegie had given medals to the most traveled musical organization, the "Kilties" would undoubtedly wear them. The "Kilties" is an unique organization and is quite different from all other band attractions. Their programs are bright and novel and full of surprises. During the concert, Scottish Dances and bag pipe soloists are introduced and a noted singer, Mr. J. Coates Lockhart appears. They are all dressed in full kilted regiments.

The "Kilties" will appear at the Majestic Theatre Monday and Tuesday, April 19, 1920.

#### WHAT IS A COMBINATION?

A few years ago the public heard a great deal about combinations in restraint of trade. Occasionally some case of this character which was filed several years ago will be called by the supreme court to be dismissed or postponed. During the administrations of President Roosevelt and Taft combinations to hamper or control the business of a single commodity was regarded as criminal. Congress discussed laws to prevent monopolies with as much enthusiasm as it now discusses the league of nation and a treaty of peace. Laws enacted at that time which were then regarded as necessary remain on the statute books.

But what has become of the enforcement. The department of justice devotes a great deal of time to the activities of foreigners and even finds time to spread propaganda in favor of cheaper meat cuts, but apparently it has no time to look into combinations which are designed to boost prices.

A few days ago the interests

which have control of the cotton market met in New York and after a brief conference boldly announced that they had fixed a minimum price of sixty cents. Sugar interests meet at regular intervals and without the least fear of prosecution announce what prices they will demand. Some of these monopolies are framed within the shadow of the White House, but the administration is too busy protecting the Jugo-Slavs and the Czecks to take cognizance of such actions by American business.

If it was illegal in 1913 for the Standard Oil Company to fix a price on gasoline and coal oil, it is illegal in 1920 for the Southern cotton planters to fix a price on cotton. The practice is the same. The Attorney General is a busy man. He has hundreds of investigations to supervise, but it appears to a great many American consumers that some investigations might be made, despite his busy program. A little agitation in favor of combinations in restraint of trade will not be amiss.

A dispatch states that the overall movement to beat down the price of wool clothing was started in "the South." Cotton comes from the South, too. Now if everything goes well the greater demand for cotton material will force cotton prices upward. In the meantime cotton interests announce a minimum price of sixty cents. Not a bad scheme, is it?

By United Press.

Lafayette, April 17—The Jackson club of Lafayette will give its annual banquet this year April 28, according to present plans. The banquet is one of the most prominent affairs of Tenth district Democrats. Speakers of national repute will address the club.

### Notice of Primary Election

The following is a list of the candidates to be voted for at the primary election to be held in Jackson County, Indiana, on  
**TUESDAY, MAY 4, 1920.**

Between the hours of 6:00 a. m. and 6:00 p. m., to-wit:

#### DEMOCRATIC TICKET.

**United States Senator.**  
12 Thomas Taggart, Indianapolis, Indiana.

34 James R. Huffman, Sparksville, Indiana.

In Testimony Whereof, I have hereunto subscribed my name and affixed the seal of the Jackson Circuit Court, at Brownstown, Indiana this 15th day of April, 1920.

FRANK L. SCHORNICK Clerk of the Jackson Circuit Court.

WIN THE ELECTION WITH CUSTER

## A Personal Appeal

CLARENCE E. CUSTER.

### WHAT DO YOU EXPECT OF YOUR CONGRESSMAN?

A Plain Talk on Qualifications and Principles.

Mr. Democrat Voter: You are about to bestow the nomination for Representative in Congress from the Fourth Indiana District, and YOU are entitled to KNOW what qualifications your Representative possesses, and what principles he stands for.

During all of my life, which for 42 years has been spent in Bartholomew County, I have endeavored to stand for the upright in Business, the clean side of politics, the just administration of the law, the enactment of beneficial legislation for the masses of our people, and the clean, moral side of our civic life.

The Democrat who opposes me basis his opposition upon my stand on one of these fundamental principles of my life.

Do YOU, Mr. Democrat Voter, take your stand for or against me?

I believe I understand the hearts of the people of this District and how they feel on public questions, and what they want their Congressman to do in Washington. It has been my object to see and talk with the voters of the Fourth District, to advise with them and to learn their views.

### CLARENCE E. CUSTER'S PLEDGE.

1. I shall at all times endeavor to keep in full accord with the ideas of the people of my District, to advise and consult with YOU at all times on questions affecting YOUR interests, and to represent YOUR will as near as I can ascertain it.

2. I stand for economy in public expenditures. I deplore extravagance in the individual, and abhor the office-holder who is wasteful of the tax-payers' money. An extravagant individual makes an extravagant officer. RETRENCHMENT should be the watch-word during these times of Reconstruction.

3. I stand for the extension of the Farm Loan Act in order that a greater number of Farmers may be reached by its benefits.

4. I stand for fair markets and proper protection for our crops and for our Farmers.

5. I stand for the policy of National Aid for Good Bonds.

6. I stand for the restoration of Federal Aid for our County Agricultural Agents.

7. I stand for the advancement of our Schools and a fair compensation for our Teachers. A Federal Department of Education should be provided for the protection of our teachers, the State retaining complete control of her schools.

8. I stand for the protection of women and children who are compelled to work in shops and factories.

9. I stand for a better organization of all labor and industry to the end that both Labor and Capital may be assured continuous employment and operation at maximum efficiency.

10. I stand for the enforcement of the Law, for clean politics and for the general upbuilding of our Country.

For the achievement of these ends, I pledge you all my energy and ability, and upon this I ask your support.

MAY I COUNT YOUR VOTE AT THE PRIMARY?

#### GOOD ROADS CONVENTION

Mayors of Many Cities to Attend  
Evansville Meeting.

By United Press.

Evansville April 17—Arrange-  
ments were completed today for  
governors of many middlewestern  
states to address the good roads  
convention opened here April 22.

Mayors of many cities throughout  
this section have been invited to at-  
tend the convention to secure further  
improvements in roads in Indiana,  
Illinois, Kentucky and Tennessee.

President Bosse of the Dixie Bee  
Lane association expects a meeting

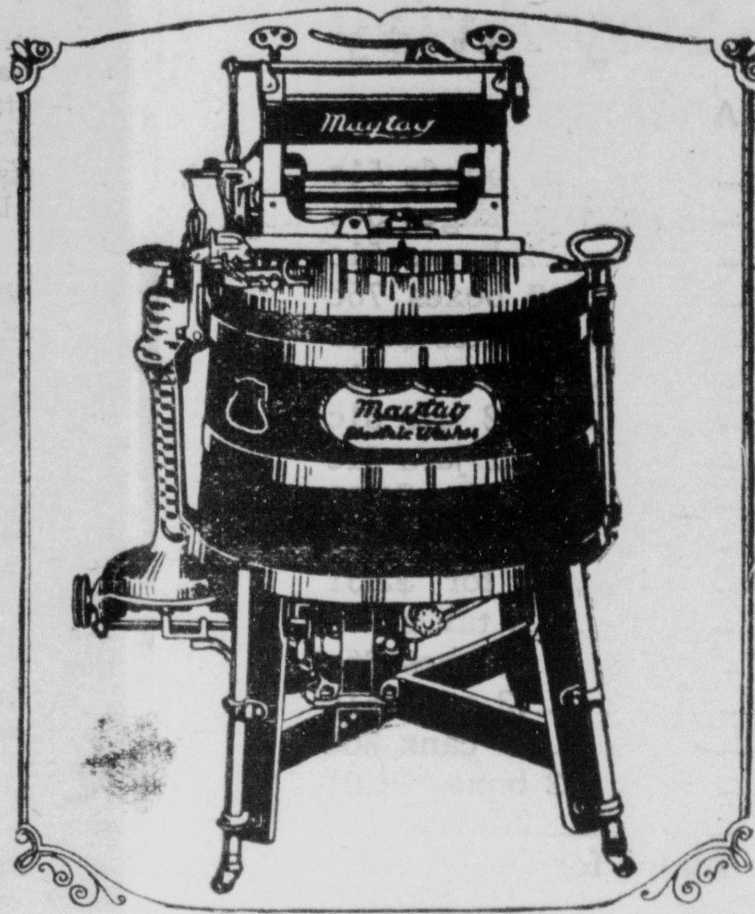

**N**O other machine is so well equipped to  
give you so many years of faithful serv-  
ice as this famous Maytag Wood-Tub  
Electric Washer.

Every detail in the design and construction  
of this pioneer electric washer is done to give  
it the highest type of washing machine ex-  
cellence.

For instance, the legs are formed by extend-  
ed tub staves which are strongly braced.  
This insures a stability impossible in any  
other form of leg construction.

Then, too, all moving mechanism is encased.  
This is an added protection to both the me-  
chanism and the operation.

The motor, a standard General Electric one,  
is installed underneath the tub—fully pro-

tected from water. In fact, most of the me-  
chanism is underneath the tub. In addition  
to this protection, an unusual stability is  
thus given to the Maytag.

This washer has many exclusive advantages,  
among which is the Maytag swinging, rever-  
sible wringer with quick-release, safety at-  
tachment.

Therefore, when you decide to dispose of  
wash-day work the clean, quick, economical  
way, be sure to investigate thoroughly the  
Maytag Wood-Tub-Electric. Come in for  
a demonstration; then you will at once  
recognize the reason the Maytag has won  
such a widespread reputation for depend-  
ability. We will be glad to show you any  
time.

Louisa Davison, who is seriously ill  
at the Schneck Memorial Hospital.

## Difficulties Confronted by Telephone Company

80% of the Telephone Company's money is paid out for labor. The Tele-  
phone Company must have men and women to run its business. In order to get  
them it must pay salaries equal to what these men and women could secure from  
the railroads and other employers of labor.

**MATERIAL** used by the Telephone Company is constantly and daily in-  
creasing in cost.

**UNDER** the present uncertain conditions with prices continually rising a  
telephone rate fixed today is not sufficient tomorrow.

In the future and until conditions are more stabilized telephone rates must  
be adjusted at least every six months.

**DO YOU** want the Telephone Company to maintain an up-to-date system  
and give good service? If so it must have more money in order to employ high-  
class labor and buy material.

### SUNDAY SCHOOL LESSON

THE VICTORY OF GIDEON'S BAND.—Judges 7.

GOLDEN TEXT—There is no restraint to the Lord to save by many or by few.—I Sam. 14:6.

ADDITIONAL MATERIAL—Judges

6:1-6:21-25. PRIMARY TOPIC—Gideon and His

Three Hundred. JUNIOR TOPIC—How Gideon Won a

Victory. INTERMEDIATE AND SENIOR TOPIC—

Victory by God's Help. YOUNG PEOPLE AND ADULT TOPIC—

One With God a Majority.

So grievous was Israel's affliction that they hid in dens, caves and strongholds (Judges 6: 2). In their distress they cried unto the Lord, and again he heard them and sent deliverance. The angel of the Lord appeared to Gideon while at the post of duty. God always calls men who are doing something. Gideon's hesitancy when called was not due to unbelief, but to modesty and cautiousness. When once he was convinced of duty he was courageous and enthusiastic.

I. The Opposing Army (v. 1).

Gideon and his army arose early on that eventful day and encamped by the spring of Harod. Over against them was the host of the Midianites in battle array. His army was insignificant in comparison with the Midianites.

II. The Sifting of Gideon's Army (vv. 2-8).

At Gideon's call 32,000 men responded, ready for the struggle. This seemed a small army to go against the Midianite army, 135,000 strong, but God said this was too many lest they be led to boasting and self-confidence. Their real danger was not in their small army, but in their pride. All that were faint-hearted were allowed to go back, leaving only 10,000. There were 22,000 cowards in that group of men, and worst of all, they were not ashamed to confess it. Still this was too many. When God was through with his sifting process only 300 remained. The 10,000 were brave men, but not of proper quality and fitness. Those who lapped the water showed alertness and watchfulness. This test revealed the quality and fitness of the men whom God would use to win victory.

III. God Gives Encouragement to Gideon (vv. 9-15).

God bade Gideon go down to the Midianite camp, where he would hear something which would cheer his

heart and strengthen his hands. When he came near he heard a man tell a dream, which was that of a barley cake tumbling into the camp and smiting it. He also heard the interpretation given to that dream, which made Gideon to be that cake. This greatly cheered his heart and strengthened him for his work, and caused his heart to burst forth in praise to God. A barley cake is a very insignificant thing, a very cheap affair in itself, but with the hand of God upon it, it would be sufficient to spread consternation upon the Midianites and bring destruction upon their armies.

IV. God Gives Victory to Gideon (vv. 16-23).

His army was very insignificant and his weapons most worthless. His attack was unlike. The whole matter was of faith (Heb. 11:32). The ground of his faith was God's word and the token which he had given him. God does not ask us to go forward without good ground upon which to rest our faith. Gideon with his 300 men formed into three companies, each man being provided with a trumpet and with a lamp concealed within a pitcher. Thus armed, they surrounded the camps of the Midianites. They were all instructed to keep their eyes upon their leader and to imitate him. We, too, are to keep our eyes on our leader, Christ, and to ever do as he does. At the proper moment they blew their trumpets and broke their pitchers, giving opportunity for their lights to shine out. This awful crash of breaking pitchers, following the sound of trumpets, accompanied by the shout, "The sword of the Lord and of Gideon," threw the Midianites into a panic, causing them to fight among themselves. One hundred and twenty thousand were thus slain, leaving but 15,000 of that mighty army (Judges 8:10).

In making the application to ourselves in this age, we can think of the sounding of the trumpets as representing prayer, or calling to God; the torches, as the light of the gospel; the pitchers, our human nature; and the whole, as this treasure in earthen vessels. Only as the pitchers were broken to allow the light to shine forth, and as we sound loud and long the trumpet of prayer can we expect victory.

### CHURCH ANNOUNCEMENTS.

**The First Baptist Church.**  
Frederic Arthur Hayward, Minister.  
9:15 a. m. The Church School.  
Thos. E. Ross, Director.

"The Welcome Service" of song and talks will be given tomorrow morning. The largest attendance, the best spirit, and the program of co-operation will be the order of the day.

10:30 a. m. The Morning Worship. Sermon theme, "Traffic in Affections." This is the second sermon in "First Things in Kingdom Messages."

7:30 p. m. the Popular Service at night. The pastor preaches on "The Ailment No Physician Can Cure." Come to this healthy, service of religious worship and Christian fellowship. Sing and forget your troubles, worship and strengthen your heart. Unite with us in this uplifting, inspirational service at night. Hear our Chorus Choir. They will lead you in song and sing songs to you. Hear the organ numbers. Come early and greet the strangers in our midst.

Monday 7 p. m. Boy Scouts at the church.  
Tuesday, 7:30 p. m. B. Y. P. U. Study of the Survey Assam.  
Wednesday, 7:30 p. m. the engagement with the church in prayer and praise.

Friday, The Ladies' Sewing Circle at the church.

**Central Christian Church.**  
W. E. Carroll, Minister.  
Bible School at 9:30 under the direction of Superintendent Ray R. Keach. Classes to meet the needs of all. The S. S. Orchestra with Ed Bartle as leader, will play.

Morning worship at 10:30, theme, "The Lost Opportunity." Every member of the church should be present at the morning hour, the message will be a straightforward, frank discussion of present day tendencies.

Evening services beginning at 7:15 opening with a baptismal service. Preaching at 7:30, theme "The Message for This Hour." Strangers welcome to all services.

**Church of Christ.**  
Bible Study at 10 o'clock.

Communion service at 11 o'clock at southeast corner of Sixth and Chestnut.

### First Presbyterian Church.

James Harold More, Minister.  
9:15—The morning worship. Sermon by the pastor with the theme, "Life's Rehearsal," a message with an Easter background. Also a sermonette for the children.

7:30—The evening service. Sermon on "The Secret of Perpetual Youth." An address applicable to people of all ages.

Monday 7:30—Last session of the Community School of Religious Education. Rev. Misamore will speak.

Tuesday 7:30—Opening session of the spring meeting of New Albany presbytery. Dr. W. H. Sheppard of Louisville, Ky., a fellow of the Royal Geographical Society will bring us a message from "the uttermost parts of the Earth." The public is cordially invited to all the above services.

This meeting will take the place of the usual mid-week service.

Wednesday at 11 a. m. the pastor will preach the presidential sermon on the theme "The Three-Fold Gospel."

Scouts of Troop No. 1 will meet at the High School Friday at 7:15 p. m.

**First Methodist Episcopal Church.**  
Charles W. Whitman, Minister.

Sunday School at 9:15 in charge of Supt. Weithoff.

Preaching services at 10:30 and 7:30. The pastor will preach for the morning service. The theme will be "Science and Immortality." This message will be the first of a series of four sermons on Immortality. We ask for large hearings for this theme.

In the evening service we shall have with us Dr. Walfred Lindstrom. His theme will be "The Church and Reconstruction as a Soldier Sees It." Dr. Lindstrom was overseas for a year and had large experience. He is a splendid speaker and will bring to us a helpful message. We ask for a large hearing for him tomorrow evening.

Epworth League service at 6:30 in the evening. We most cordially invite the young people to our League service.

Special music by choir.

**St. Pauls Congregational Church.**  
O. G. Misamore, Pastor.

Sabbath School 9:30. Mr. John Loertz superintendent. Every scholar in the class is the desire of the superintendent and teachers.

Morning service 10:30 and evening services 7:30. The pastor will preach at both services and the choir will have special music. The public is cordially invited to worship with us.

Rev. Geo. Savary of 1st Church, Indianapolis, will visit us Wednesday evening for a union service with all the Seymour churches. The meeting will be held in the auditorium. Lantern slides illustrating the result of the Inter-church survey will be shown. Everybody will be welcome at this service. Do not forget the date, Wednesday evening at 7:30.

**Trinity Methodist Episcopal Church**  
B. E. E. Fischbach, Pastor.

Sunday School, Mr. G. A. Winkenhofer, superintendent, 9:00 a. m. Public worship 10:30 a. m.

Epworth League, Mr. G. A. Winkenhofer, leader, 6:45 p. m. Preaching service, 7:30 p. m.

The pastor's subjects: Morning, "The Law of Growth and Contentment." Evening, "The Individual in Evangelism."

Mid-week meeting for Bible study and prayer, Wednesday 7:30 p. m. Everybody welcome to enjoy the privileges of these services.

**International Holiness Church.**  
Services Saturday evening 7:30. Sunday School Sunday morning 9:30.

Morning service Sunday 10:30. Night service Sunday 7:30.

Rev. G. M. Sompton of Medora, will fill the Sunday appointments in the absence of the pastor who is engaged in revival work in Medora.

Rev. Mary Friend, Pastor.

**Woodstock Baptist Church.**  
Sunday School at 10:30 a. m. Young People and Junior Union 6:30 p. m.

Church service at 7:30 p. m. Choir rehearsal Friday 7:30 p. m.

### Decreased Populations.

By United Press.  
Washington, April 17—The census bureau today announced the following 1920 population figures: Greensburg, Ind., 5,345, a decrease since 1910 of 75. Hartford City, Ind., 6,183, a decrease of four. Alexandria, Ind., 4,172, a decrease of 924. Madison, Ind., 6,711, a decrease of 223.

## URGES PEOPLE TO FIGHT CATARRH WITH SIMPLE HOME MADE REMEDY

Can Make Pint at Home and Costs Little, Says Leading Druggist of Covington, Ky., Who Has Made Special Study of Catarrh.

### Says: Inflamed Nostrils Invite Influenza

People who say that catarrh is a disease not to be taken seriously are harshly rebuked by a Kentucky druggist who has for years been much interested in the growth of this loathsome, yet altogether too common disease.

He claims that the sore, tender, inflamed membrane of the nostrils and throat is a prolific breeding ground for germs—not only the germs of Influenza, but many other kinds as well.

If people would only stop experimenting for two weeks and try a simple remedy made of Mentholized Arcine mixed with enough boiled water to make a full pint, half of the catarrh in this country would be abolished. It's really no joke for people

who don't know about this simple recipe to be constantly sniffing and snuffling, blowing and hawking, when all these obnoxious symptoms as well as the foul discharge can be made to disappear in a few days.

Ask for three-quarters of an ounce of Mentholized Arcine—that's all you need and after you have mixed it with enough boiled water to make a pint, gargle the throat twice daily and sniff or spray some up the nostrils, as directed.

The tender nostrils will soon lose their soreness, heal up, and be clean and healthy.

**Important Reminder:** Just as soon as anyone in the family gets a cold in the head, check it at once with this same medicine.

**Senreco**

### ADDITIONAL SOCIAL EVENTS. SHOWER.

Honoring Miss Mary Teckemeyer, a bride-elect, Mrs. R. J. Sanders and Mrs. S. F. Hodapp entertained with a luncheon and miscellaneous shower this afternoon at the former's home, corner Poplar and Fourth streets.

A color scheme of pink and white was carried out in the decorations, which were baskets of snap dragons, roses and ropes of smylax tastefully arranged on the mantels and piano.

The afternoon was spent with five hundred and bridge and a two course luncheon was served. The ices were molded in the form of lilies. About thirty-five guests were present.

A feature of the afternoon was the

presentation of the gifts to the honoree. They were presented by Russell, Jr., the little son of Mr. and Mrs. Sanders, who entered, dressed as cupid, drawing a wagon containing the gifts. The wagon was elaborately decorated in pink and white crepe paper and ribbons.

The out-of-town guests included Miss Jane Sparks and Miss Margaret Lauder of New Albany, Miss Helen Seiner, North Vernon, Misses Pearl and Willa Teckemeyer, of Indianapolis.

The bride-elect is a daughter of Mr. and Mrs. Frank Teckemeyer, 306 West Fourth street. For a number of years she has been employed as auditor with the Southern Indiana Telephone and Telegraph Company. She is very popular in

the social circles of Seymour. Her marriage to Mr. Fred D. Bacon, will take place during the latter part of May.

Mr. Bacon is the son of Mr. and Mrs. L. C. Bacon, 118 Mill street.

### MISSIONARY SOCIETY.

The Missionary Society of the Presbyterian church will meet Monday at the home of Mrs. L. G. Heins, West Second street.

Mrs. C. S. Cone will have charge of the devotional service. News from the Mission Fields will be taken up, and a report heard from the Presbyterian meeting held recently. Mrs. W. L. Federmann will give a paper on "Preparation for Christian Americanization." Mrs. Frank Bush is program director.

The hostesses are Mrs. Heins, Mrs. John Roegger and Mrs. Mary Coffeen.

### ENTERTAIN JUNIORS.

The high school gymnasium was the scene of a pretty party Friday evening when the Seniors entertained the members of the Junior class. The Junior colors, blue and gold, and the Senior colors, black and white, were used in the decorations.

During the evening a delightful program was carried out. A trombone solo was given by Theodore Ackerman, recitations by Miss Mary Goodloe Billings, Miss Dorothy Spanagel, and Everett Foster, a vocal solo by Miss Anna Holland Carter, and a piano solo by Miss Ella Clements. Miss Veva Paul, a member of the faculty, gave a short address, and Miss Mary Louise Honan, a member of the Senior class, gave the welcoming address to the Juniors.

The chaperones were Mrs. Wildman, Mr. and Mrs. Henderson and Miss Paul.

### CLASS REUNION.

Arrangements are being completed for a reunion of the 1910 graduating class from the Shields High School, to be held next Wednesday evening in the high school gymnasium. The members of the class and their families will be the guests.

The plans are in charge of Louis Niemeyer, president of the Class, L. C. Hodapp, in charge of the entertainment, and Mrs. Myra Gates, chairman of the refreshment committee.

### STITCH AND CHATTER CLUB.

Mrs. Orval Mahorney, East Second street, entertained the members of the Stitch and Chatter Sewing Club Friday afternoon.

### FRENCH CIRCLE.

Miss Leona McCann, was hostess to the members of the French Circle Friday evening at her home on West Second street.

# The Gasoline Problem

THE grave problem confronting the serious-minded men in the petroleum industry today, is to keep pace in production with the seven-league strides of the demand for gasoline.

In ten years the production of crude oil in the United States has increased only 96 per cent, while during the same period the output of gasoline has increased 560 per cent.

The demand for no other commodity in general use has increased to a degree that even approximates the mark reached by gasoline.

In ten years the Standard Oil Company (Indiana) has increased its output of gasoline from 150 million gallons to more than 600 million gallons a years.

It is apparent that this could not have been accomplished except by intensive application of improved, scientific methods of refining.

As a matter of fact, the price of gasoline is held in bounds only by the sheer force of science.

Except for the ability of such institutions as the Standard Oil Company (Indiana) to make a wide range of useful products from that part of the crude oil which is not used to make gasoline, you would be paying a much higher price for gasoline than you pay today.

The Standard Oil Company (Indiana) is bending every effort to increase its output of gasoline to meet the demands and to sell it to you at as low a price as possible.

## REDDINGTON SCHOOL CLOSSES AFTER SUCCESSFUL TERM

Teachers Give Indoor Picnic for The Students at Building Friday.

The Reddington school in Redding township closed for the term Friday and an indoor picnic was given by the teachers, Miss Lillie Lutes and Cecil Shields. A camp fire was built in the basement over which weiners and eggs were roasted and coffee was made. A dinner was served in the school room consisting of sandwiches, pie, ice cream and cake, lemonade and coffee. The afternoon was spent in playing games and a delightful time was enjoyed by the students and teachers. The school term has been very successful. The eighth grade students are taking the examination today.

Mrs. Peter Edrick, Cincinnati, visited in this city Friday.

## CONDITION OF WHEAT CROP IS VERY DISCOURAGING

Only 60 Per Cent of 1,960,000 Acres Seeded in State Last Fall Will Make Paying Crop.

The condition of the wheat crop in Indiana is very discouraging according to the monthly report of the co-operative crop reporting service. Only 60 percent of the 1,960,000 acres seeded last fall will make a paying crop; the other 40 percent may return the seed under favorable weather conditions. Rye is about an average crop. Brood sows are being sold at an alarming extent and farm hands are practically unobtainable. The report in part follows:

The outlook for winter wheat in Indiana this year is very discouraging; the condition as compared with normal being only 59 percent, indicating a crop of only 21,540,000 bushels. In some counties the crop is almost a failure while in others, where weather conditions for seeding at the proper time were favorable, it is fairly good. The early sown wheat which approximates 25 percent of the 1,960,000 acres seeded, was badly infested with Hessian fly last fall and will not much more than return the seed unless very favorable weather is had from now on. Fall rains and floods in the south part of the state delayed seeding in those sections to the extent of 15 percent of the acreage which can not make much of a crop even with favorable weather conditions. The remaining 60 percent of the acreage which was seeded at the proper time, under favorable weather conditions, has been damaged to some extent by freezing and thawing and by ice staying too long on the low places. Many of the poorer fields in the north part of the state will be disked and seeded with oats or barley and some that ordinarily would be seeded to other crops will be let stand because of the shortage of labor.

Neither weather conditions or insects have damaged the rye to any great extent. While some of it has been pastured pretty heavily it all seems to be coming out in good shape and will make about an average crop. The condition at this time is 80 percent of normal, and indicates a crop of 4,706,000 bushels.

Continued declining markets, the high price of feed and sows not doing well at farrowing time has influenced farmers to sell their brood sows to an alarming extent. At the present time there are only 86 percent as many on farms as April 1, 1919, and the reduction still going on. Due to the extreme cold weather this spring the sows are farrowing small, weak litters and the loss of pigs is much greater than usual.

The number of farm hands is only 83 percent of the supply on April 1, 1919, while the requirements compared with last year are 100 percent. This condition is due primarily to the higher wages and shorter hours men can secure in cities. At the present time single men are practically unobtainable at any price. In some instances married men can be secured where good tenant houses are located on the farm, but these men are usually employed by the year and do not help much where temporary labor is wanted.

## Plumb Plan League.

Meeting in the city building Monday, April 19th. Make arrangements for the Glenn E. Plumb meeting May 6th. All Union and Brotherhood men and Plumb Plan members are urged to attend. a19d

# FAINTING AND DIZZY SPELLS

The Cause of such Symptoms  
and Remedy Told in This  
Letter.

Syracuse, N. Y.—"When I commenced the Change of Life I was poorly, had no appetite and had fainting spells. I suffered for two or three years before I began taking Lydia E. Pinkham's Vegetable Compound and the Liver Pills which I saw advertised in the papers and in your little books. I took about twelve bottles of your Vegetable Compound and found it a wonderful remedy. I commenced to pick up at once and my suffering was relieved. I have told others about your medicine and know of some who have taken it. I am glad to help others all I can."—Mrs. R. E. DEMING, 437 W. Lafayette Ave., Syracuse, N. Y.

While Change of Life is a most critical period of a woman's existence, the annoying symptoms which accompany it may be controlled, and normal health restored by the timely use of Lydia E. Pinkham's Vegetable Compound.

Moreover this reliable remedy contains no narcotics or harmful drugs and owes its efficiency to the medicinal extractives of the native roots and herbs which it contains.

"NO HUNTING" SIGNS Printed on Muslin, 10 cents each, \$1 per dozen, at the SEYMOUR REPUBLICAN.

## RACINE HORSE-SHOE TIRES

After  
3,500 Miles

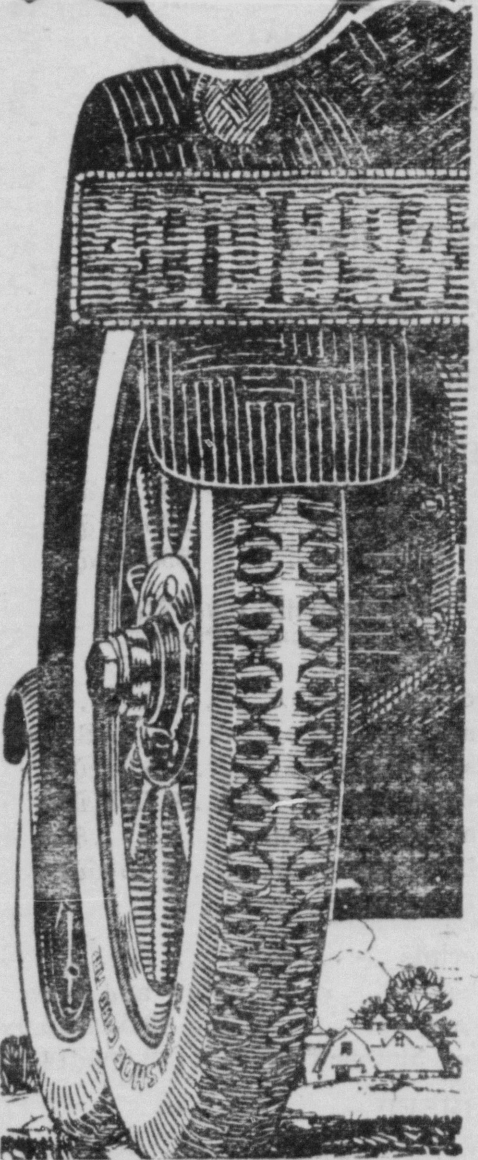

It is the performance after the first 3,500 miles that determines how much a tire costs.

Many business corporations, states and municipalities that buy tires on a cost-per-mile basis use Horse-Shoe Tires exclusively. They know that after the first 3,500 miles, Horse-Shoe Tires are wearing down smoothly and evenly while other tires are wearing out.

We do not ask you to take our word for Horse-Shoe Tire performance. But when you put one on your car, we know that its service after 3,500 miles will convince you.

### ANNOUNCEMENT PARTY.

Mr. and Mrs. J. F. Tunley delightfully entertained a company of young people at their home, 418 North Walnut street, Friday evening in honor of Mrs. Tunley's sister, Miss Leotta Nevins.

The living room was tastefully decorated with palms, ferns and baskets of roses. The evening was spent with music, singing, dancing and contests. During the evening Mr. O. H. Holder rendered several vocal numbers accompanied by Miss Wilma Colemeyer.

The hostess was assisted by Misses Louise Carter, Florence Wiethoff and Omega Wheaton in serving the two course luncheon. After the first course, which was

served in the living room, the guests were invited to the dining room for the ice course. The decorations were of pink and white in the form of a shower bouquet of sweet peas and roses arranged over the dome above the dining table. At the end of the gossamer falling from the shower were attached rose buds and cards, the ladies drawing the cards attached by ribbons to corsage bouquets which formed the shower bouquet above the dome and the gentlemen drawing the rose buds attached by ribbons to cards which were concealed among the shower bouquet.

The cards bore the cleverly written announcement of the marriage of Miss Nevins to Mr. H. K. Brinklow, which took place on March 3, 1920, in the quaint old historical city of Fairfax, Va.

After the announcements were read little Miss Evelyn Tunley presented the wedding ring to the groom in a large pink rose. Following congratulations, the fees in the forms of wedding molds were served, while the bride cut and served the large wedding cake.

Miss Nevins is the daughter of Mr. and Mrs. A. Nevins, of Modesto, Ill. For several years she made her home with her sister here but for the past year she has been in government service in Washington, D. C., resigning her position recently in the Income Tax Unit of the Bureau of Internal Revenue.

Mr. Brinklow is the son of Rev. and Mrs. Arthur Brinklow, of Union, Ind. He served two years overseas as a member of the 150th Field Artillery Band of the famous Rainbow Division. Since his return he has been in the employ of the Treasury Department of the government in Washington, D. C., resigning a few months ago to accept a position with Carter-Collins, Clothiers, in this city. Both Mr. and Mrs. Brinklow are graduates of the local high school.

Both the bride and groom have a host of friends who join in wishing them a happy and prosperous married life and will be glad to know they will make their future home in Seymour.

The guests Friday evening included Misses Eleanor Ahlbrand, Hilda Howe, Faye Parker, Mary Hummer, Edna Banta, Wilma Colemeyer, Messrs. Earl Harrington, John Hummer, O. H. Holder, Jack Hagel, Everett Murray and Reinald Brinklow, of Evansville, Mr. and Mrs. Oscar Beatty, Mr. and Mrs. C. L. Parham, and Mr. and Mrs. Arthur Enos.

Miss Kate Andrews is spending the week end in Shelbyville.

## Willard STORAGE BATTERY

Willard Threaded Rubber Insulation

## Threaded Rubber Insulation

### What It Is

It is a corrugated piece of hard rubber, pierced from front to back with 196,000 tiny threads in order to make it porous, so that it will afford free passage for the battery solution.

It is used inside the battery, in each cell, between each two plates in the cell. It is very durable, as one would expect of hard rubber.

It lasts as long as the battery instead of wearing out before the plates (like ordinary insulation).

It is the exclusive invention and property of the Willard Storage Battery Company and is not used in any battery except the Still Better Willard, branded with the trademark shown on the battery pictured below.

### What It Does

It does not wear out or get full of holes, causing short circuits and other insulation troubles.

It therefore helps you to get all that you should get out of the plates at continued high capacity.

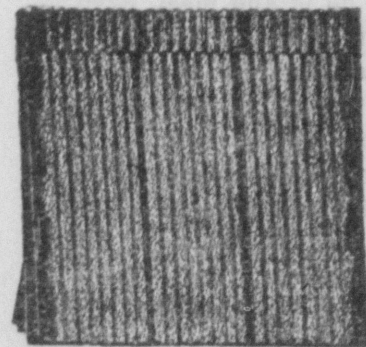

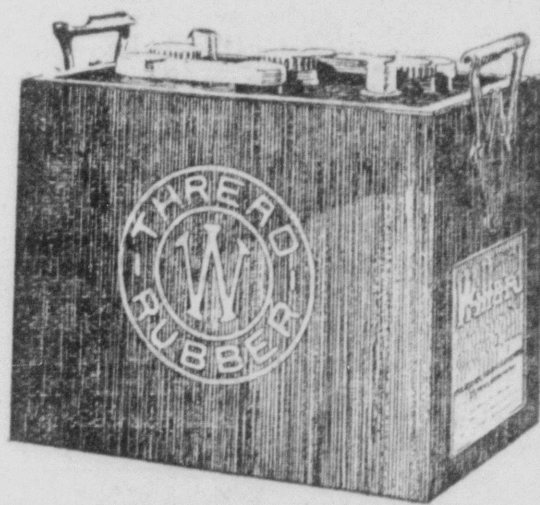

It makes true "bone-dry" shipment and storage of the battery possible, because the Still Better Willard having never had a drop of moisture in either plates or insulation is in a bone-dry condition and can be kept indefinitely without depreciation. Batteries with ordinary insulation can be shipped without battery solution, but they are not bone-dry for the insulation has been wet, and once wet it cannot be allowed to dry out. The battery must be filled at an early date.

Finally, Threaded Rubber Insulation does away with the bane of the battery owner's existence—re-insulation.

## Seymour Battery Service Co.

116 W. TIPTON ST.

SEYMOUR, IND.

### Inside the Battery

In this "Still Better Willard"—identified by the trademark shown on the side of the box (in red) every positive plate is separated from its negative neighbor by Willard Threaded Rubber Insulation, samples of which are shown above. It has a pronounced effect on the quality of the battery.

### WEATHER REPORT.

Increasing cloudiness probably  
followed by rain tonight and Sun-  
day. Somewhat warmer in extreme  
south.

### Seymour Temperatures.

Twenty-four hours ending at noon.  
Max. Min.  
April 17, 1920 61 42

### Closing Exercises.

Celebrating the closing of the  
Peter's Switch school an elaborate  
dinner was served at the school at  
noon Friday by the parents of the  
school children, in honor of the  
teacher, Miss Ruth Loebline, and the  
pupils. During the afternoon a  
program of music and recitations  
was carried out. The school closed  
a very successful year and the  
patrons are well pleased with the  
outcome.

### Pool Room Sold.

The Union Billiard Parlor on Sec-  
ond street changed hands today,  
James Doyas, the owner, having dis-  
posed of it to Rex Whitson and Dora  
Gardner. The new proprietors took  
charge of the business at once. The  
deal was made through the E. C.  
Bollinger Real Estate agency.

Chicken dinner at the Palace Res-  
taurant tomorrow.

### Marriage Licenses.

Marriage licenses were issued to-  
day to Robert J. Gallimore, Indian-  
apolis, and Alice Wagner, Seymour;  
Rasie Devers, and Bertie E. Cock-  
erham, both of Medora. Both cou-  
ples were married this afternoon at  
about 2 o'clock in the clerk's office  
by Rev. G. O. Mills, pastor of the  
Brownstown Christian church.

The case of Mrs. George H. Ben-  
nett, of Hamilton township, against  
the Thompson Veneer Company, of  
Edinburg, for \$10,000 which is on  
trial in the Bartholomew circuit  
court, went to the jury about noon  
today. The defense admitted li-  
ability in argument, and the jury will  
ascertain the amount of damage in-  
curred. An automobile owned by the  
defendant company was driven into  
a buggy in which the plaintiff and  
her daughters were riding. The ac-  
cident occurred in September 1918  
near Honeytown.

Mrs. Harry McColgin, Indianap-  
olis, visited friends in this city to-  
day.

C. L. Sawyer of New York, is  
spending a few days with his moth-  
er, Mrs. G. V. Sawyer.

Miss Katherine Frazee is spending  
a few days with her parents, Mr.  
and Mrs. S. R. Frazee in Arcadia.

Albert Williams, of Purdue Uni-  
versity, is spending the week end  
with his parents, Mr. and Mrs. J. L.  
Williams.

Mrs. Josie Pritchard, of Indianap-  
olis, is visiting her sister, Mrs. Jacob  
Noell, who has been ill for the last  
two weeks, at her home on the coun-  
ty line.
